Information for the holiday childcare of the municipal youth centre Landsberg during the school holidays 2021

Ladies and Gentlemen, dear Parents, dear Children,

last year, despite the difficult conditions, we were able to offer you 5 weeks of holiday childcare and an option for childcare for the Day of Prayer and Repentance ("Buß- und Betttag") public holiday.

The current situation demands a great deal from all of us. I am all the more pleased to inform you that in December 2020 the City Council has agreed to extend the holiday care to a total of 7 weeks a year and to provide the necessary staff and resources.

Unfortunately, the first holidays this year are cancelled due to the Coronavirus situation. We are replacing this week by providing an extra week of childcare during the summer holidays.

In order to obtain an orientation and to enable you the opportunity to plan ahead as well as possible, I would like to inform you of the dates planned by us for the year 2021.

Due to the current situation, this information is still provided without guarantee.

Planning for the Easter holiday is already underway. We are hoping to be able to provide the Easter holiday childcare, but at the moment we can't provide any further details about the program or if we will be able to offer lunch again. We respectfully ask for you to already inform us as to which of the offered weeks you will probably require childcare for.
